

# BFAR Caraga continues its advocacy on stock enhancement program

BUREAU OF FISHERIES AND AQUATIC RESOURCES-CARAGA·TUESDAY, DECEMBER 12, 2017

The National Inland Fisheries Stock Enhancement Program (NIFEP) of the Bureau has continued to disperse fingerlings at Lake Mainit to fully achieve its target for the Balik Sigla sa Ilog at Lawa (BASIL) Program. Around 21,000 milkfish and carp fingerlings were stocked yesterday, December 12, 2017 at Lake Mainit, Surigao del Norte. In the same day, the Bureau formally turned-over 25 fibreglass boats to the fisherfolk to support their fishing activities.
